## PREFACE

The 1963 KEYSTONIA is a testimony to the achievements attained by the administration, faculty, seniors, and underclassmen during the current academic year. This was the year that Kutztown moved ahead to greater enrollment, to increased faculty, and to the initiation of a liberal arts program. This, too, was the year that ground was broken for the new residence hall for women. Therefore, this annual is dedicated to those who have worked so diligently to maintain and further the standards of Kutztown State College. The Senior Class, especially, is to be congratulated for its endeavors in promoting the school's traditions.

This annual is an illustrative record of the events which composed the academic and social life at Kutztown in 1962-63. Including the administration and faculty, classes, organizations, events, activities, and sports, the KEYSTONIA depicts the highlights of the campus scene.

This year, the 1963 KEYSTONIA has returned to its former practice of distributing the year-book at the close of the spring semester.

The liberal arts program works through the existing academic departments in the humanities, the social sciences, and the natural sciences. The aim of the program this year is to get it started with the interested students. At present, there are fifty-five students in the liberal arts curriculum.

Construction of the new women's residence hall at Kutztown is evidence of the college expansion.

Mack strive to prepare enthusiastic school librarians especially equipped in attitudes, skills, and techniques essential to library service. This year ninety-three students are enrolled as full-time library education majors, who eventually will work in the elementary and secondary schools of the Commonwealth of Pennsylvania.

## FOREIGN LANGUAGES

At Kutztown every student is required to study one or more of the four foreign languages taught: French, German, Russian, and Spanish. The Department of Foreign Languages, with a faculty of three men and six women, is continually expanding its facilities. Three new courses available are the Development of the French Novel, German Literature of the 18th Century, and German Advanced Language and Phonetics. The electronic language laboratory has obtained new records and tapes. During the summer of 1963 Spanish courses will be conducted in Mexico, on the histories of South America, Spain, and Mexico. New members of the department are Miss Carmela V. Covelli, Dr. Regina Thompson, and Mrs. Heidrun B. Matsushita. The department has ninety-seven language majors, and Dr. Homer C. # HEALTH AND PHYSICAL EDUCATION

A sound mind a sound body lead to a sound individual and an effective teacher. Under the direction of Mr. Walter P. Risley, the department of Health and Physical Education for Men at Kutztown State College helps the students to reach and maintain good standards of physical condition. This is done through the two required semesters of physical education courses in which swimming and directed gymnasium activities are included.

Also under the department aegis were the annual Band Concert, directed by Mr. Roy C. Thomas; the annual Christmas Concert with the Women's Chorus, the Male Glee Club, the College Choir, and the orchestra; the Spring Concert; and the highly successful musical, "Take Me Along," directed by Mr. Gene C. ## MATHEMATICS

In keeping with the new developments in mathematics, the Mathematics Department of K.S.C. is continually broadening its courses. A conference on mathematics for secondary teachers of the surrounding counties was held on November 16. This, the department feels, is vital in keeping teachers up to date in the many fields of mathematics. This year one hundred fifteen majors are preparing for the role of teachers of mathematics in Pennsylvania.

The department, which is composed of eight men and one woman, has about 152 majors, many of whom will eventually teach science in the public schools of Pennsylvania.

## PSYCHOLOGY

In today's busy world with so much emphasis being placed on the well-adjusted or maladjusted child, psychology has assumed a new and much more important place in the training of future teachers. At Kutztown State College every student, regardless of curriculum, is required to take three psychology courses in which the problems confronting the teacher are discussed. September 12 heralded the beginning of the 1962-63 school year. On that day President deFrancesco officially opened the Ninety-Seventh Academic Year at Kutztown State College at the fall Convocation. Dr. Neal Musmanno, State Deputy Superintendent of Public Instruction, addressed the convocation of faculty and students, who filled Schaeffer Auditorium to the last seat. ## PERFORMANCES

This year, the faculty-student Committee on Cultural Programs, under the chairmanship of Miss Esther M. Willits, brought to campus outstanding lecturers, musical groups, and dramatic performers. As a result, students and faculty attended programs such as the lectures presented by Ivan (Cy) Peterman, news and sports writer, and Neil Douglas, explorer and adventurer, which were informative as well as entertaining. Besides lectures the audience enjoyed the performances of the Panhellenion, a chorus and dancers; of Jeffrey and Ronald Marlowe, duo-pianists; of Maynard Ferguson and his orchestra, and of the Buffalo Philharmonic Orchestra. The cultural series ended in April with the presentation of Shakespeare's tragedy *Othello*, by the National Players of Washington.

## EVENTS

October 13 was the day of much activity and enjoyment for the students, faculty, parents, and alumni of Kutztown State College, for it was Homecoming 1962. Activities began early with registration of alumni, followed by a guided tour of the campus and a luncheon. After the luncheon, spectators crowded the bleachers to see the Kutztown Golden Bears' football team crush the Cape May Coast Guard. During the half-time activities, the crowning of the Homecoming Queen highlighted the annual Parade of Floats. Felicia Polischak '63, from Reading, was chosen to reign over the daily activities, and Sandra Fick and Kay Encelewski were her attendants.

More activity included a tea in the gymnasium following the football game, and the day was climaxed by the annual Homecoming Dance, "Land of the Midnight Sun."

Queen Felicia Polischak, seated on the Drama Club Float, is surrounded by her royal court.

## CHRISTMAS

Couples enjoy dancing to the music of the Larry Elgart band.

The Christmas Dance left most couples with dreams of a "Winter Wonderland."

## SEASON

The Christmas season is perhaps the most exciting and one of the busiest times of the year. The Christmas holiday at Kutztown State College is no exception. The College Choir, the Male Glee Club, the Orchestra, and the Women's Chorus presented the annual Yule Concert this year titled "A Christmas Fantasy." Many students also enjoyed the annual Christmas dance, "Noel Blanc," sponsored by the Student Cooperative Association, at which the Larry Elgart Dance Band provided the music for one of the biggest events of the school year. Other Christmas activities included the Resident Women's Cooperative Association party, the annual Christmas dinner, Christmas caroling, and the Elementary Club's enactment of two Christmas plays for the children of the Rickenbach Laboratory School.

Barbara Sichel, portraying Essie Miller, sings *Oh, Please*, one of the many songs in the revue.

"Nine O'Clock" means a secret meeting on the beach for Muriel Macomber (Anne Fritz) and Richard Miller (Arthur Metzgar).

## ALL-COLLEGE REVUE

Song after wonderful song poured from the stage of K.S.C. as the all-college cast of the Broadway hit *Take Me Along* swept the captivated audience into the Miller home, and into the magic world of romance, drama, and comedy, created originally by Eugene O'Neill in his play *Ah Wilderness*. The old love of Sid (Thomas Boorse) and Lilly (Phyllis Stump) was brought back to life while the young love of Muriel (Anne Fritz) and Richard (Arthur Metzgar) blossomed amid lines of poetry. Guiding these delicate situations which occurred on the Fourth of July in Centerville, Conn., in 1910, were the experienced hands of Nat (J. David Hartmaier) and Essie Miller (Barbara Sichel).

Under the astute direction of Professors Gene C. Wenner and Arthur H. Sinclair, the fine supporting cast included Judy Wells, William Foust, Barry Monasmith, James D'Allessandro, and Danielle Rambo. Gary Eckhart, as stage manager, contributed one of the finest sets in the history of Kutztown theatricals.

Phyllis Stump, as Lily, and Thomas Boorse, as Sid, rehearse for the show, while Art and Jim await their cues.

Gail Williams, as Hedda Gabler, beguiles David Hartmaier, as Eilert Lovborg in a memorable scene from *Hedda Gabler*.

## DRAMATICS

### HEDDA GABLER

The father of modern drama, Henrik Ibsen, came very much alive on November 30, 1962, as the Drama Club, of Kutztown State College, presented Ibsen's *Hedda Gabler*. This realistic tragedy had as its star, Gail Williams, who portrayed Hedda, truly one of the most important characters in the modern theater. Other members of the cast included Thomas Kroouze, Katieanne Marsh, Joanne Lubas, Betsy Walmer, David Hartmaier, and Jeffrey Dorn. Dr. Homer T. Cox, head of the English Department, was the director of the production, and the student director was Riva Keefer.

Thomas Kroouze, portraying George Tesman, contemplates the situation, aroused by his wife in a moment of strain.

"... come, come now, Judge Brack! That sounds almost like a threat."

"Something about Eilert Lovborg again—eh?"

Betsy Walmer, as Mrs. Elvsted, and David Hartmaier, as Eilert Lovborg, listen to Gail Williams, as Hedda.

## TEAS

Teas play a very important part in college social activities. Held in the college Blue Room, the teas are sponsored by various campus organizations. This year some of the sponsors were the Women's Athletic Association, the Student PSEA, the Geography Club, the Language Department, and the Drama Club.

David Morgan, author of *Lights Across the Delaware*, delivers a lecture on "The Washington Crossing" at a noonday program.

Students enjoy refreshments and conversation at the PSEA Christmas Tea.

## NOON DAY LECTURES

As part of the cultural program of Kutztown State College, a series of noon-day lectures and musical programs was arranged again this year by Miss Esther M. Willits, assistant professor of social sciences and chairman of the Cultural Programs Committee. The diversified interests of the students and faculty were satisfied by lectures pertaining to art, science, literature, and the social sciences. Some of the programs were presented by students and faculty members. For example, Jane Dallesandro '63, presented an organ recital; Miss M. Grace Wible, associate professor of art, exhibited her paintings and lectured on "Life and Culture in Southeast Asia," and the Christmas Oratorio was given by the Art and Music Departments. Other memorable programs included the lectures by Mr. Clarence Carter, of Lafayette College, Mr. Frank X. Jroski, Mr. Eugene D. Lavery, and the concert by St. Francis DeSalles Boys' Choir, of Philadelphia.

Dr. Sanford Griffith, the speaker for the Social Studies Conference, discusses his topic with Mr. James R. Smith, instructor in history.

## CONFERENCES

Conferences of various sorts are held annually on the campus of K.S.C. This year the conferences that brought activity to the college were the English Conference, the Twenty-fourth Annual Art Education Conference, the Mathematics Conference, the Social Studies Conference, the Elementary Education Conference, and the conference of the Association for Childhood Education.

An exhibit of modern language materials was provided for the Foreign Language Conference.

Each year the Georgian Dining Room at Kutztown State College is the center of activity for the many banquets that are held annually on campus. This year some of the banquets were the Freshman Induction Dinner, the Commuting Women's League dinner, the Book Week dinner, the Kappa Delta Pi dinner, the Women's Luncheon, and the Elementary Club dinner.

Miss Ethel McCormick, elementary supervisor, Allentown School District, spoke at the Elementary Club Dinner on "Discipline Problems and How To Solve Them."

# ORGANIZATIONS

# STUDENT ACTIVITIES BOARD

The Student Activities Board consists of twenty members elected each year by the student body. The officers are Ralph Barker, president; Thomas Bonekemper, vice-president; Patricia Metzger, recording secretary; Susan Fisher, corresponding secretary; and James Timmins, treasurer.

The Student Activities Board arranges for receptions, teas and dances, contracts for concert and assembly programs, plans and approves policies for the different organizations on campus, prepares the budget, and supervises the College Book Store, Chez Nous, and the Student Center.

This year Kutztown State College was host for the Pre-Planning Conference of the student governments of the fourteen Pennsylvania state colleges. Homecoming 1962 and the Christmas Dance were the two outstanding events of the year, sponsored by various committees of the Board members. Advisers to the organization are Miss Joan E. Van Keuren, Dean of Women, and Mr. John B. White, Dean of Men.

# CUSTOMS

"Customs should be conducted for the sole purpose of developing sound college citizenship." This idea, taken from the Minutes of the Faculty, May 26, 1950, was chosen by the 1962 Customs Committee as its goal for this year's freshman orientation. The sponsored events offered to the freshmen were planned with this point in mind. The Bonfire Party, the Songfest, the All-College Mixer, the All-College Picnic, and the Pep Rally combined with the first home football game were all part of the orientation program. The climax for the 1962 "Frosh" was the removal of their worn and discolored dinks and name buttons at the traditional Freshman Induction Dinner.

The Customs Committee, chosen by James Wardrop, Chairman, and Susan Risheill, Co-Chairman, was composed of twenty-four members—four men and four women from the senior, junior, and sophomore classes. The faculty sponsors for this program were the Deans of Personnel, Mr. John B. White and Miss Joan Van Keuren.

It is the hope of the Customs Committee that the 1962 freshman program established a fruitful collegiate orientation atmosphere, as compared to petty hazing situations which might have occurred. The Committee feels that hazing should not be customs and that customs should be a program to develop sound college citizenship.

## RESIDENT WOMEN'S COOPERATIVE ASSOCIATION

The Resident Women's Council is made up of eleven hall counselors and officers. This organization operates the Resident Women's Cooperative Association, to which all dormitory women belong. It is the duty of the Council to represent the women of the dormitory and to assist the Dean of Women and her staff in making and carrying out policy. This year the Council initiated a Judicial Board to enforce and interpret dormitory regulations and has emphasized a thoroughly representative dormitory government.

The Council sponsored the annual Christmas Party, study breaks, the annual Women's Luncheon, held February 7, and a Spring Open House. The Council has provided the opportunity for all of the dormitory women to get together to relax and enjoy themselves informally.

The officers are Marjorie Landis, president; Patricia Fink, vice-president; Carolyn Reckard, secretary; Carol Mann, treasurer; and Judith Lilly, chairman of the Judicial Board. Adviser to the Council is Miss Joan E. Van Keuren, Dean of Women.

## RESIDENT MEN'S COOPERATIVE ASSOCIATION

The Resident Men's Association has a two-fold purpose. The first and primary purpose is to promote interest in the academic, athletic, and social facilities of the college. Secondly, it is the duty of the association to promote the welfare of the resident men.

Each year the men residing in Rothermel Hall elect candidates to serve in their governing body, the Resident Men's Council. The Council officers are Dennis Bonser, president; Thomas Bonekemper, vice-president; and James Youngman, secretary-treasurer.

The Association, acting through its Council, has sponsored the popular Thanksgiving Dance, several post-game dances, and a coffee-break for the resident men during midsemester examinations.

Also on the agenda was the R.M.A. buffet luncheon held Thursday, February 7. The association sponsored an assembly program as well as a Spring Party booth. The Resident Men's Smoker and the RMC Dinner were the culmination of a busy and successful year for the Resident Men's Association. Adviser to RMA is Mr. John B. White, Dean of Men.

## COMMUTING MEN'S CLUB

The Collegiate Commuting Men's Club is an organization having the potential active membership of more than fifty per cent of the male student population of K.S.C. Active membership, however, is dependent upon attendance at the monthly meetings. The club aims to make campus life more full and significant for the 475 commuters. In February it was co-sponsor with the Resident Men's Association of the buffet luncheon for men. Officers of CCM Club are Louis Steslow, president; Michael Raszkiewicz, vice-president; Rodney Seaman, secretary. Mr. Donald B. Heilman is the adviser.

## COMMUTING WOMEN'S LEAGUE

The Commuting Women are an integral part of the student body and comprise in number 199 in-town students and 366 commuting students from Allentown, Bethlehem, Reading, and the vicinity.

Their main events are a fall banquet to welcome freshman members, an all-college tea, and a spring bazaar. The main purpose of the Commuting Women's League is to promote the welfare of the commuting and in-town women and to foster worthwhile contributions to college life. Officers of the League were Maryann Schaffer, president; Judith Hopman, vice-president; Patricia Mehle, secretary; and June Hoffman, treasurer. Miss Marretta P. ## KAPPA DELTA PI

Kutztown has a chapter of Kappa Delta Pi, the national honor society in education. The members are pledged to uphold the ideals of fidelity to humanity, science, service, and toil. The Greek characters, *Kappa*, *Delta*, and *Pi*, represent the society motto: "Knowledge, Duty, and Power."

Juniors who have attained a cumulative quality point average of 2.25 are eligible for membership in the Kutztown Chapter, Epsilon Zeta, installed in 1941. Mr. Harold L. Hehr serves as faculty adviser. Officers for the 1962-63 term are Dorothy Pisanick, president; Larry Kramer, vice-president; Joan Turnicky, secretary; Sarah Ann Fox, treasurer; and Louise Taubitz, historian.

## TAU KAPPA

"To build character and to promote good sportsmanship among the women of the college" are the ideals of the Kutztown State College chapter of Tau Kappa, the national honorary athletic sorority. Tau Kappa requires its members to participate in the sports program at Kutztown. When the girl has earned one thousand points through participation in the college sports program, she is then qualified to be a member of the sorority. This organization has as its sponsors Mrs. Ruth G. Mathias, Miss Edith Mellner, and Miss Nancy E. Fowler.

# INTER-FAITH FORUM

Through its monthly meetings the Inter-Faith Forum seeks to promote mutual understandings and tolerance of world religions and concepts. Such topics as "The Hereafter," "Forgiveness," and "What Are the Meanings of Salvation?" stirred the college students into lively debates and discussions.

In the fall IFF sponsored a successful drive for the World University Service, which included the election of "Joe College" and an all-college talent show. In February IFF sponsored Religion-in-Life Week, which featured an all-college dinner with the inspiring speaker Dr. James Robinson, who told of Operation Crossroads in Africa. During the week clergy of all faiths were available for counseling, and a religious film was shown. In the spring, Drama Club presented for IFF the play *Cradle Song*, directed by Mr. Kenneth J. Gable.

## IVCF

Inter-Varsity Christian Fellowship is a nationwide organization of university chapters dedicated to presentation of the relevance of Jesus Christ to college students and their responsibility to Him. This goal is accomplished through individual and group Bible study, prayer, discussions, conferences, and speakers. This past year many thought-provoking weekly meetings included a lecture on Christianity and Modern Philosophy, by Dr. C. Van Til, a talk and slide presentation on education and Christianity in Africa, and a film of the Communist Youth Conference in Finland. In addition to these meetings IVCF sponsored the film "Red River of Life" and held its annual banquet with the theme "Splendor of Love." In the spring and fall many chapters met for week-end retreats at Camp Tel-Hi. The officers included Gail Mannherz, president; Phyllis Bennett, vice-president; Daphne Earl, secretary; and Faith Hunter, treasurer. Dr. J. Allen Pawling is the adviser.

## HILLEL SOCIETY

To provide both religious and social aspects of Judaism for Jewish students and others who are interested, is the aim of Hillel. As a comprehensive Jewish organization, affiliated with no sect or synagogue, Hillel enables students to find spirited and social companionship among their ethnic group. Under the guidance of Miss Edith Mellner, the group has participated in both planned and impromptu activities which have led to a knowledge of oneself and an understanding of others.

## CANTERBURY ASSOCIATION

This year the Canterbury Association helped to move the furniture of little St. Barnabas Episcopal Church from its old site on Wenz Street to the new location on College Hill, within walking distance of the college. This change meant that now meetings of the Canterbury Association could be held at the church. Previously, Dr. Elizabeth A. Hurwitz, faculty adviser, had been kind enough to have the meetings at her home. In December the group was entertained by the women of St. Barnabas at a Christmas Party. Earlier, the Association conducted a display and sale of handcraft from the Okinawa Mission. A small group of Episcopal students, the Canterbury Association has fewer than twenty members; therefore, discussions are the core of the program. The Reverend John Watters, Dean of Leonard Hall, of Lehigh University, is their spiritual adviser. Robert V. Suck, Jr., is president, and Helen Kerr, secretary-treasurer.

Seated: J. Dodge, Dr. Coulter, Dr. Hurwitz, H. Kerr, *Secretary-Treasurer*; R. Suck, *President*; A. Selditch, Dean Watters. Standing: J. Van Doorn, Dr. Cox, J. Barratt, G. Chernesky, A. Turner, S. Landis.
